

Unidad Educativa Camoruco

1st Year

Presentation My Favorite Videogame

For this presentation the students will talk about their favorite videogame. To do that **they have to learn** and **make a poster** about the following elements about their chosen videogame:

- **The name of the videogame.**
- **The year it came out.**
- **The studio or company that developed it.**
- **Is it single player or multiplayer?**
- **Is it online or off-line?**
- **What is it about? A description of the what game is about.**

The students will work on their poster in the classroom. On Wednesday 19th and Thursday 20th. So, remember to bring all your supplies glue, images, markers, colors, rulers, scissors and any other thing that you may need to make a great poster. The presentation will be on Friday 21st.

Good luck!
